## FOR YOUR SUPPORT

Through our partnership with Harmony Expositions, the BNHRA was able to coordinate the very successful First Annual BNHRA Health & WellFest Conference & Exposition in May.

Thanks to the hard work and dedication of many volunteers lead by Denise Ligammare and Kim Nemeth, we kicked off what I believe will be a solid annual event in the BNHRA program line up. We are very appreciative of the opportunity to work with Harmony Expositions on this event, which provided the chapter with some additional funds for future programming.
