To Whom It May Concern:

We had the pleasure of working with Harmony Expositions for our annual health fair which was held on July 26, 2007.

Due to their outstanding efforts, the health fair was a great success. I received many compliments from employees as well as the management staff.

Nancy was very professional and took care of all the planning and details for which I was most appreciative.

We are looking forward to next year's health fair and to working with Harmony Expositions once again.

Sincerely,

A handwritten signature in black ink that reads "Debra Zimpfer".
