To whom it may concern,

I have had the privilege of knowing and working with Nancy Murphy and Harmony Productions for over a year. During that time period we have done more than 25 Health Fairs together and have worked closely on presentations and meetings in the planning of those events. Earlier this year, Randy joined Nancy to create Harmony Expositions.

Nancy and Randy are hard working, creative and graceful under stress. They offer a quality, sophisticated product and excellent customer service. Participants at Harmony events can expect plenty of information and education while enjoying a festive and fun atmosphere.

With Harmony you won't get a cookie cutter event. Their events are designed specifically to meet the needs of each host group. Nancy and Randy add personal touches like colorful table linens and the famous "Harmony Angels" to help vendors load and unload their cars. Nancy's parents, dressed in color coordinated outfits, might even greet you at the check in table.

I hold Nancy and Randy Murphy and Harmony Expositions in the highest regard. Without reservation, I would recommend them to produce your wellness event.

If you would like to contact me to discuss Harmony, please feel free to call 712-2725.

Sincerely,

Ginny Wallace
